40 分	Introduce terms such as get up, go to bed, go to school, go home, do homework, take a bath, watch TV, and eat breakfast. Follow along in book to read times of chores. Then ask students to look at their own schedules. Ask students when they perform a particular daily chore. After several students answer, have students ask other students about their daily chore schedule.		Clock and schedule	schedule
Study sheet	Student work in workbook.			
Teaching achievement	Most students were able to answer when a particular chore starts with no help. Most students were able to ask when a chore is done.
