Materials (student prepare)		Student book		
time	class	summary		
	1-2	Teach students to identify and name colors		
Class 1-4				
Teaching time	content		material	assessment
40 分	First hold up one marker at a time and call out its color. Then when students are familiar with the names of the colors, hand out coloring sheets with directions to color them with certain colors.		Markers/ coloring sheets	workbook
Study sheet	Student will complete workbook			
Teaching achievement	All students are able to name and choose the correct color. We even went further by including pink, orange, purple.
