

Simple Objects – These and Those

subject		English	designer	John Geary, Fish
Main idea		Identifying simple multiple objects, close up and at a distance		
Materials resources (teacher prepare)		Simple objects on classroom (pencils, erasers, books, markers, rulers)		
relative subject		English		
grade		4	classes	2
goal		To teach students how to ask about and identify simple multiple objects		
Teaching resources		Simple objects on classroom (pencils, erasers, books, markers, rulers)		
Materials (student prepare)		Student book		
time	class	summary		
	1-2	To students how to distinguish between these (close) and those (far away)		
Class 1-4				
Teaching time	content		material	assessment
40 分	First hold one object. Tell students to identify it from close up in a sentence. (This is a ____). The from a distance, tell students to identify it in a sentence (That is a ____). Then hold up multiple objects of one kind and tell students “These are ____”. To ask, tell students “What are these?” (up close) or “What are those?” (far away) Both answer “They are”		objects	workbook
Study sheet	Student will complete workbook			
Teaching achievement	Most students are able to use these and those when asking a question about objects either and all were able to answer the question with “They are”.			
Other data or information (write down the source)	Vocabulary words include these, those, they are.
