40 分	Play Youtube video for students several times so that students become familiar with the song. After students become familiar with song, place large letters on the board and let students come up one by one and point to the letters while song is playing. For struggling students, sing the song with the video for a slower pace.		Internet	Letter Recognition
Study sheet	Students begin forming letters			
Teaching achievement	Every student was able to point to the letters while listening to the song.
