	1-4	Letter Recognition for students	
Class 1-4			
Teaching time	content	material	assessment
40 分	Play Youtube video for students several times so that students recall the song. After students become familiar with song again, place large letters in random order on the board and let students come up one by one and select letters to be removed from the board.	Internet	Letter Recognition
Study sheet	Students continue forming letters		
Teaching achievement	Every student was able to remove the letters with no help.		
Other data or information (write down the source)			
Feedback & review	For the next week, do same activity, but do not remove the letters. This way, the students have more of a challenge if all the letters are on the board.
